

Chapter Brothers,

You are being sent the Northern California Chapter Meeting Schedule for Columbian Year 2020-2021. Due to Covid-19 all locations are not yet confirmed, but dates are more certain. Even so, the Chapter Meeting Schedule is always a dynamic document: please be alert to possible changes in the future.

Presently, it is not known when we will resume in person Chapter Meetings and Events. Please be assured that when we do so, care and effort will be given to protocols and sanitizing.

Please continue to watch for notices and information, and to adjust to the new circumstances in which we carry out the Mission of our Order.

Thank you.

Don Harmata
